The service provider’s performance will be monitored on a daily basis by the assigned Focal Person. An appropriate senior member, ideally DMS/AMS Infection Control will be assigned as the focal person for this task. On any one of the seven days of a week, the Focal Person will score cleanliness as per the weekly cleaning review sheet given in **Annexure II**. In addition, the Focal Person will also crosscheck each washroom’s toilets and compare its fixtures against the handing over list of fixtures.

After every visit an overall percentage score will be calculated for each risk category. This score will be an average of the individual percentages of each indicator area. For example, for High Risk, overall percentage cleanliness will be calculated as:

Table 11.3: Scoring Against Risk Category

High Risk Area	Score obtained	Percentage Score
Isolation Room	$(3+3+3+3+3+3)/24 = 18/24$	75%
Dialysis Unit	$(4+4+4+4+4+4)/24 = 24/24$	100%
Medical Emergency	$(3+3+3+3+3+3)/24 = 18/24$	75%
Surgical Emergency	$(3+3+3+3+3+3)/24 = 18/24$	75%
Operation Theater	$(3+3+3)/12 = 9/12$	75%
Labor Rooms	$(2+2+2+2+2)/20 = 10/20$	50%
Average Score		75%

Every time an area is found to be below 80% it will be given the following time for corrective action.

Risk Category	Time Frame for Corrective Action

The focal person will visit the site once again after the stipulated time and in case the identified problem is not corrected; the following fines will be imposed right away.

Table 11.4: Daily Penalty Criteria

RiskCategory	Fine
High Risk Area	Rs. 2500
Moderate Risk Area	Rs. 1500
Low Risk Area	Rs. 1000

Once all areas are scored, their scores will be scaled with respect to their risk category using the following weights and an overall weekly score will be obtained.

Table 11.5: Weekly Penalty Imposition Criteria

Risk Category	Weight age
High risk	50%
Moderate risk	30%
Low risk	20%

- i. For examples, using the already obtained 75% in High Risk category, if a certain hospital receives 67% in Moderate Risk category and 80% in Low Risk category, it will obtain an overall score of $75\% \times 0.5 + 67\% \times 0.3 + 80\% \times 0.2 = (37.5 + 20+16)\% = 73.5\%$
- ii. This will be the overall score for this week's performance. Averaging all weekly performances of the month, a monthly score will be calculated.
- iii. Service providers will be expected to maintain an average minimum score of 80% as well as 80% in each respective category at all times. If the service provider scores less than 80% in the monthly score, another fine worth Rs. 2500 will be placed. If this continues for another month, the second month's fine will be doubled to Rs. 5000 and then doubled again to Rs. 10,000.
- iv. After a month of score below 80%, the monthly score is not restored to 80% the following month, punitive action may be taken against the service provider including financial penalties, suspension or cancellation of the contract.

4.8 Termination of the Agreement

- a) Without prejudice to any other available rights / remedies, the Hospital shall have the right to terminate this agreement at its option for any reason specifically provided hereunder or otherwise in case of any breach of this agreement by Service Provider.

- c) In such events e.g. nonperformance due to strike or violation of contract, the Service Provider shall be BLACKLISTED as per the prevailing PPRA rules and performance security will be encased or the cleaning equipment may be confiscated (cost of whichever is higher)
- d) Notwithstanding anything contained in this agreement, each party shall have the right to terminate this agreement upon 180days' written notice to the other party and upon written/ recorded reasons for the same.
- e) The Procuring Agency shall be entitled to terminate this agreement forthwith at any time upon serving notice in the event of misconduct either on the part of the Service Provider or its employees or nonperformance of responsibilities and services by the Service Provider.
- f) The termination shall be without prejudice to the acquired rights and liabilities of either party prior to termination.
