This contract agreement made at Faisalabad , the between messers , herein called as “Contractor”, having its registered.....office at and as party of one part and the Medical Superintendent, Faisalabad institute of Cardiology, Faisalabad, their successors and legal assign hereinafter called “ client” as part of the other part.

WITNESSETH

Whereas the client intends that M/s , maintenance / repair the (equipment) Called the equipment” and “M/s” Agrees to maintain/ repair the equipment between (date) and both days inclusive, on the following mutually agreed terms & conditions.

1. Contractor M/s agrees to provide the client maintenance, labour services for the complete system, included in package.
2. Contractor guarantees the availability of spare parts and accessories for the system during contract period.
3. With effects from (date) , service charges based on quoted value Rs. Equipment requiring maintenance, will payable every year to the company in four equal installments. The contractor will submit the bill at the end of every three months.

4. UPTIME GUARANTEE:

- i. Annual uptime of 95% be considered as acceptable level of performance.
- ii. Uptime shall be defined as the time available to the user for maintaining desired temperature during working hours 24/7 for each unit individually.
- iii. Contractor shall check systems performance, as mentioned in scope of work (Clause 6) or whenever he will be called. For every quarter an “uptime percentage” will be calculated by the dividing “system in service” hours by” hours available” both measured on the basis of working hours as detailed in clause(ii) of this contract.
- iv. If the uptime percentage for the measurement period should fall short of 95% annually the following formula will be applied to determine additional days in service contract period.

<u>Uptime</u>	<u>Penalty</u>
100-95%	None
Below 95%	extension of service contract at no further cost by down time X Factor 2.0
Below 90%	-do- X Factor 3.0
80% and below	-do- X Factor 4.0

5. DOWN TIME

- i. Downtime is defined as failure in equipment operation.
- ii. Down time will start when the end user notifies the designated service facility verbally or in writing. Contractor will provide the service telephone number accessible, round the clock. The response time of 02 hours will be considered normal.
- iii. Downtime will end once the repairs have been affected and the system is again available.
- iv. The installation of the system improvement and updates as schedule by mutual agreement of both the parties as well as schedule preventative maintenance shall not be considered as downtime.
- v. Qualified and fully trained/service support will be available from the contractor as a backup to the local/sight engineers during the contract period at no cost to the client.

6. SCOPE OF WORK

1. One (01) comprehensive maintenance at the start of the Contract.
 2. Daily Cleaning of indoor filters.
 3. Monthly General Service of all units which includes following scope.
Adjustment, setting, anti scaling and washing of indoor and outdoor units.
Correction of detected defects which result from normal wear & tear and replacing parts, if necessary to maintain the system.
 4. All repair & maintenance of Air conditioning units including parts, refrigerant gasses i.e R22, R410A, R32 etc or chemicals for washing will be responsibility of contractor.
 5. Contractor is not allowed to modify any part of any unit i.e manufacturer's design must be maintained.
 6. All the parts (compressors, refrigerant gases, copper pipe, motor, electronic kits, wires etc) will be provided by the contractor and must be brand new.
 7. From circuit breaker to onward each unit will be maintained by the contractor.
 8. Contractor shall also carry out necessary repair, within the scope of this agreement, as and when required by the client. Furthermore, contractor shall provide support to operating staff of the equipment as and when considered necessary.
 9. The client is accepted to make the equipment to be maintained, available on the agreed dates. In case the client can't meet this requirement, he is obliged to inform the contractor to this affect at least three days prior to the agreed date.
- 7. SPARE PARTS.**
- i. Contractor shall maintain spare parts inventory at a level to meet 95% uptime guarantee.
 - ii. Contractor must maintain inventory of refrigerant gasses in F.I.C for urgent use.
- 8. MISCELLANEOUS:**
- i. In case of any representation on part of bidder, the case shall be put before the "committee for readressed of grievance, FIC, who shall act as arbitrator and its decision shall be final.
 - ii. Client as well has the right to terminate the contract agreement, if contractor fails to provide service as per contractual conditions, after being duly notified by the client in writing of its short coming and give reasonable time for remedial action.

9. FORCE MAJEURE

Contractor agrees to perform all services in good faith. However, in the event of force Majeure any party shall be entitled to suspend performance of obligations. Force Majeure shall be deemed to be any event or occurrence beyond such part's control, as a results of which said party is unable to comply with obligations or can't reasonable be required to do so and shall include acts of God, civil disturbance, wars, acts of public enemy, riots, strikes or work stoppages.
